Features

E6138F is specially developed for forestry working conditions by SDLG. The product has the high-st and protection which specially designed for forestry working conditions. At the same time, the match are optimized, with good mobility and flexibility, high working efficiency and good safety. Widely usec loading and unloading, etc.

Technical Parameter

Operating Weight(kg)	16560
Rated power(kW)	80
Overall width(mm)	3000
Overall height(mm)	3230
Overall length(mm)	3852
Line model	BF4M2012

Fuel tank capacity(L)

260
